EDITOR'S NOTE: This report is based on data provided by TalentNeuron, a global research and advisory company. Through this partnership, new data sources and improved methodologies are available to better understand occupational demand over time. This reflects a change from the methodology used to produce these reports prior to October 2023.

This information is a snapshot in time and may not represent long-term trends. Any of this data, including historical reports, may vary slightly over time as minor revisions are continually made to this live database. Some ads may appear in two or more occupation codes and may be counted more than once. This information should be used in conjunction with local labor market information to analyze current occupational demand.

This data has not been seasonally adjusted. Sometimes seasonal adjustment is used to remove fluctuations in unemployment and labor force trends that normally occur with changes in the season. Seasonal variation in employment occurs for natural and institutional reasons, including reduced employment involving outdoor activities during winter, changes in labor force and unemployment levels with opening and closing of schools, and layoffs during the automobile model changeover period. Seasonal variations can also affect the number of online job ads, so over the year it will affect the data in this report.

Reports for other areas or months are located at https://ohiolmi.com/home/JobPostings.

Ohioans looking for jobs or considering new careers are encouraged to visit OhioMeansJobs.com.

"<u>OhioMeansJobs.com</u> is Ohio's online career and employment center and a great resource for anyone looking for a job," said Ohio Department of Job and Family Services Director Matt Damschroder. "On any given day, <u>OhioMeansJobs.com</u> lists more than 100,000 job openings, with at least half paying more than \$50,000 per year."

Ohioans also can contact their local OhioMeansJobs center to find and apply for job openings, take skill and career interest assessments, create or improve their resumes, and practice interviewing.
