- 10 Construction and Extraction Occupations

The information provided in this report is based on available information from electronic job posting boards known as Help Wanted OnLine® (HWOL) ads. This is a snapshot in time and may not represent long term trends.

This information should be used in conjunction with local labor market information to provide an overall analysis of current occupational demand.

The source is from new, unduplicated HWOL job postings by employers for the above month. The total number of ads (above) is based upon the latest The Conference Board mid-monthly reporting period.
