EDITOR'S NOTE: The graphs and tables are from The Conference Board Help Wanted OnLine® (HWOL) data series, which are compiled with Wanted Analytics software. Third-party, staffing agencies and anonymous employers are not included.

This information is a snapshot in time and may not represent long-term trends. Any of this data, including historical reports, may vary slightly over time, as minor revisions are continually made to this live database. An ad may appear in two counties but may only be counted once at a higher geographic level. This information should be used in conjunction with local labor market information to analyze current occupational demand.

The Conference Board is a global, not-for-profit independent business membership and research association working in the public interest. Wanted Analytics is a leading supplier of real-time sales and business intelligence solutions for the media, classified and recruitment industries. It aggregates real-time data from thousands of online job sites, real estate and newspaper sites, as well as corporate websites on a daily basis.
