

Covered Employment for the City of Columbus and Franklin County First Quarter 2018

The Ohio Bureau of Labor Market Information, in cooperation with the U.S. Bureau of Labor Statistics (BLS), geocoded covered employment and wage data for the City of Columbus. First quarter 2018 data from the Quarterly Census of Employment and Wages (QCEW) program were used. A geocodable record contains a physical location address that can be assigned a longitude, latitude, and place code.

The following table presents first quarter 2018 employment and wage data for establishments identified as being in the City of Columbus (place code = 18000). The geocoded data were further evaluated, and maps were produced to show private ownership employment levels for each ZIP code in the City of Columbus and Franklin County. Four industrial sectors were selected for mapping at the ZIP code level: Manufacturing; Retail Trade; Finance and Insurance; and Professional and Technical Services. The City of Columbus is primarily located within Franklin County, but portions of the city extend into Delaware and Fairfield Counties.

The number of private sector establishments and average employment for both the City of Columbus and Franklin County are presented in the table below.
